The Shawano County Landfill will be temporarily closed until further notice due to damage sustained at the garbage and recycling transfer facility on August 7, 2019.

A structural engineer has inspected the facility and determined that it is unsafe for operations until the structural repairs have been made.

Please note that City of Shawano residents will still receive curbside garbage and recycling pickup during this time. Also, yard waste and wood waste will be still accepted at the landfill.

The City of Shawano is working quickly to repair this damage and will provide updates as they become available.

We apologize for any inconvenience this may cause and appreciate your cooperation and understanding while we correct this issue.
