## **Shawano Municipal Utilities Celebrates Groundbreaking of New Headquarters** *Photo/video opportunity*

**Shawano, Wis. (Aug. 15, 2023)** — On Thursday, Aug. 24 at 1:30 p.m., Shawano Municipal Utilities will host a groundbreaking ceremony to celebrate the start of construction for its new headquarters facility.

The existing facility, which was constructed in the 1930s as a fire station and public works shop, will be demolished. The larger and more modern 29,000-square-foot headquarters will be built in its place.

The new one-story facility will have sustainable features including geothermal and rooftop solar. The facility includes staff offices, warehouse, vehicular bays, and a facility service center adequate to serve the growing Shawano community.

Construction is expected to be completed in late summer of 2024 with [Miron Construction Co., Inc.](#) serving as the construction manager and [Dimension IV](#) serving as the architect.

### **LOCATION**

The groundbreaking ceremony will take place at 122 N. Sawyer St., Shawano.
